We continue to observe our Summer Worship Schedule through the month of August with Sunday School at 9:00a.m. and Worship at 10:00 a.m. While we are combining our 8:45 service and our 11:00 service, it is a special time to experience worship all together. It would be wonderful to see every seat filled.

God of Love, we are so grateful to count this church family among our many blessings. Only you truly know what we are setting out to accomplish in these weeks to come. We have ideas, visions, hints and daily instructions. We have talents and abilities. However, only you can see in perfect detail the end of every beginning. Every project, every season, every life. Nothing is ever in vein, for even mistakes are used for good.

Forgive us when our pride gets in the way. Strengthen our confidence in who you have made us to be. Set us free from comparison in order to work together efficiently. Bless this congregation, each and every one as well as the lives of those we encounter every day. Empower us to make every moment count. Guide us throughout this time of transition.

When we are scared\_\_ strength us  
When we are complacent\_\_ arouse us  
When we are indecisive\_\_ help us find truth  
When we are anxious\_\_ show us peace  
When we are boastful\_\_ show us humility  
When we are tempted to walk away\_\_ remind us of what draws us together

Guided by your Holy Spirit, we will be united in love and joyfully accomplish our mission.

This is my prayer for Kernersville Moravian Church at this time and for many years to come.

Wynona Echols  
Member Board of Elders

Troop 944 is having a great summer with a lot of Scout involvement. August brings a camping trip to Raven Point which is on High Rock Lake and offers kayaking and canoeing. The boys are also looking into a night kayak trip onto Lake Brandt. We are considering a High Adventure trip to the Northern Tier in 2021, so we need many hours on the water to prepare. Troop 944 will be having a tent at the Honeybee Festival on August 17<sup>th</sup> to recruit and raise money. After the day at the festival, we will be having a pool party at Abington Swim Club to wrap up the summer before school starts. While the weather is agreeable, the Troop is excited to repair and stain the recycle shed and the benches near the fire pit at the Church. Our Troop is always happy to help our Charter Organization in any way that we can. Upcoming this fall we will have another Brunswick Stew Fundraiser, a trip to the Tank museum, and our annual Creeper Trail bike trip. Any 5<sup>th</sup> grader who is interested in Boy Scouts is invited to join us. We meet every Tuesday at 7pm in the Scout Hut. As always, we thank Kernersville Moravian Church and its family for the continued support of Troop 944.

### Historic Chapel Fundraiser

As many of you know, the Adult Fellowship Class has been doing a Lowes Foods fundraiser for the last 10 ½ years. We have contributed over \$10,700 during this time to various charities and fundraisers at the church and in the community. This has been accomplished with the participation of our class and a few limited others.

The way the fundraiser works is that Lowes cards are purchased by our class at a 6% discount through their fundraiser program. The cards are sold at face value and you shop with the cards. In other words, you buy a card for \$50, you spend \$50 at the store, and the fundraiser would get \$3.

The Adult Fellowship Class will contribute 100% of proceeds for at least the next 4 months to the restoration of the Historic Chapel. If all the church members participated and got behind this effort, we could raise considerable funds towards the goal. Especially if we get others, such as friends and neighbors. If interested in participating, contact Sylvia Ford (336.908.2334) for cards, and let's get the Chapel repaired!

### **July Trustees Meeting Highlights**

- Trustees discussed their concern at the downturn in contributions over the past several weeks. They plan to look at historical financial data.
- Vacation Bible School was held in June with 14 children participating.
- Communications Committee has installed some new directional signage.
- Community Outreach will be implementing an Angel Tree project to collect supplies for Kernersville Elementary School. They plan to deliver these much-needed supplies in September.
- 2019 Christmas Stocking campaign will be kicked off in August.
- KMC will be participating in Crop Walk again this year. Contact Vicky Yates for additional information and your desire to become involved.
- Kitchen freezer has died, yet again. Trustees approved purchasing a new one.
- Kitchen air conditioner compressor has also died. Trustees will be obtaining bids to replace this 19-year-old system. The two systems that serve the elevator areas are no longer working. This will need to be addressed prior to preschool starting.
- Chapel restoration and renovation is still scheduled for completion the first of September.
- Trustees will be addressing the damaged back wall of the chicken pie room.

### **July Elders Meeting Highlights**

- Reports from the various committees of the church were received and reviewed.
- The Elders felt that the Reception for Pastor John and his family went well. Mike Jenkins, Vice Chair of the Elders thanked all members that participated in preparation, serving and clean-up for the reception. Special thanks to Cletra Wormley for helping to organize the Reception.
- The July 7<sup>th</sup> Church Picnic was well attended and there was plenty of food to go around.
- Office Angels will begin helping in the church office in the weeks to come. Please thank them for their service when you see them.
- We welcome three new Elders - Mark Vestich, Russ Tyson and Eddie Boyce. They will be serving the unexpired terms of the recently vacated Elder positions.
- The Activity building is being painted this week. Thanks go out to the Men's Bible Class and the Women's Fellowship for helping with this project.
- The Elders prayed for the numerous prayer concerns within the church. If you have a prayer concern please contact the church office, or your Elder.
- The next Elder meeting will be August 4, 2019.

## Community Outreach News and Upcoming Events

Now through September: Community Outreach Committee has placed an Angel Wish Tree in the Fellowship Hall to collect some much needed school supplies for Kernersville Elementary School. If you would like to contribute, please take one of the stars on the tree which details the most needed items. These are supplies that the teachers note they often run out of throughout the school year. Any donations can be placed in the box beside the tree. We will get them to the school throughout the collection period which will run through September. Items include: Tissue Boxes, Glue Sticks, Kid-Sized Scissors, Yellow Highlighters, Dry Erasers, Clorox type Wipes, Washable Markers, and Ticonderoga Pencils. Any of these items are most appreciated. Thank you in advance from COC.

Sunday, September 15<sup>th</sup> has been designated as a Moravian Day of Service. This is intended to be a day when all Moravians focus on mission activities in their community on the same day. Community Outreach is working on their service project for that day. We invite other groups in the church to consider participating in some way as well. For more information, please check out more information at: <https://www.moravian.org/dayofservice/>

**DO YOU KNOW...** There are many allergies that we are familiar with: insect stings, mold, grasses, trees, poison oak, sumac, and ivy, and household products. But, are you aware that some people are allergic to perfumes that can trigger asthma and anaphylaxis? Some people are also sensitive to certain types of lotions, colognes, and even essential oils that produce a fragrance. These fragrances may be too strong for those around us and we need to be aware of this and prevent it from happening to someone in a crowded or individual environmental area. People who have certain types of illnesses or allergies may have a low tolerance to these scents and could become quite sick because of the fragrance in a confined area. With this said, please be sensitive to those around you.

## Take what you need, give what you're able!

This is a motto of a blessing box. A blessing box is like a little free library, but for food and toiletries. Those that are hungry are encouraged to stop by and take what they need. Likewise, people who want to help their neighbors can bring food and put it in the box to share.

The boxes are filled with non-perishable foods and personal care items for people in need in our local community, people who could be your next door neighbor. KMC gives in so many ways, how perfect it is to offer one more way to help our brothers and sisters in need.

Justin Stultz, Don Vance, Harold Atkins and Carol Vance have graciously given their time and talent constructing a blessing box for our church. The new box is located on the backside of the Activity Building, near the Cherry Street entrance.

Let's fill it up!

If you have any questions, please feel free to contact **Justin Stultz at 336.575.7717**
