Luawa-Yiehun Moravian Church - Sierra Leone

I want to tell you how the Lord has blessed Safiatu Braima. When Safie and Mohamed left for Sierra Leone in 2008, we purchased a relatively inexpensive insurance policy to be used for medical evacuation. We doubted that it would ever be used, but we thought if Mohamed had another attack of malaria it might be necessary to get him back to the USA for treatment. Little did we know that the bite of a poisonous ant would require medical evacuation.

Safie was bit in late November and admitted to the hospital in Freetown, Sierra Leone on December 1st. The medical care there appears to be very primitive. She was given antibiotics, but her condition continued to worsen; she was in severe pain, anemic, and unable to eat. On December 20th we received a call asking us to get her home for treatment. I immediately called AirMed, the company from whom we had purchased the

medical evacuation insurance. They were fantastic. They worked with me constantly throughout the day until we had contacted the proper medical professionals in Sierra Leone and various doctors in Charlotte to arrange the evacuation. Within 8 hours the transport was organized, and on Monday AirMed dispatched a private jet (Hawker 800-for those of you who are interested in that type of thing) equipped with medical personnel and everything they would need to bring Safie home quickly and safely.

In route to Freetown, the plane was delayed at one of its fuel stops, but arrived in Freetown Wednesday morning just after day break where Mohamed and Safie were waiting at the airport. AirMed could have arrived Tuesday night, but evidently there are no night-time

landings allowed at the Freetown airport. After a tearful farewell to Mohamed and a flawless flight back across the Atlantic, AirMed landed in Charlotte

Wednesday evening about 7:30 pm Safie was taken to Presbyterian Hospital via ambulance where she was greeted by Dr. Jamie Davis, an Emergency Room physician who is a member of Little Church on the Lane and whose son Jack is currently ministering in Sierra Leone with the

Braimas. Dr. Davis had been in contact with AirMed throughout the day and had spoken with the medical team during the transit to get an update on Safie's condition. Also to greet her and examine her at the hospital was Dr. William (Jake) Jacobs, a surgeon and member of Little Church who went to Sierra Leone last summer along with Dr. Davis and

Likewise Team Travels to Tanzania

Rev. Cynthia Geyer (co-pastor at College Hill Moravian Church, Bethlehem, PA) and Lilyann Sapp, R.N. (member of Calvary Moravian Church in Winston-Salem, NC) will be representing the Board of World Mission's Likewise AIDS Ministries in Tanzania. They will meet with HUKWafa (Serving Children and Families) Program leaders and church leaders from the Lake Victoria District of Tanzania to find ways to support ministries that help orphaned and most vulnerable children. Cynthia and Lilyann leave for Tanzania on Monday, February 1st and will return on February 19th. Below are prayer request for them.

Spiritual Empowerment – Pray that the team will receive guidance and empowerment by the Holy Spirit throughout the trip and especially as they work together with HUKWafa and the Moravian Church in Western Tanzania (MCWT) to implement care for children in the villages of Magu and Gininga.

The new decade allowed us to celebrate, develop long-term solutions to the society's budget problem, and reflect on the unfortunate circumstances that surround us. This year marked the 30th anniversary of ONWARD. This is our primary vehicle of communicating missionary activities. I am deeply humbled to have had the opportunity to serve the Mission Society as your president over the past four years and in some ways, to have made a small contribution to ONWARD. I would also like to thank John Giesler and Glenna Tasedan for their contribution as chief editors over the past ten years. I would be remiss if I did not offer a special thanks to the "Happy Folders Group" at Ardmore Moravian for their tireless effort in folding and mailing ONWARD to ensure its timely delivery. Happy 30th anniversary

ONWARD!

During the past decade the Mission Society budgets exceeded return on investments due to our quest to support all of our missionary programs. The economic downturn during 2008 and 2009 worsened the Society's budget challenges which resulted in my letter requesting contributions just before Christmas. On behalf of the Mission Society, thank you for your contributions. A total of \$4095 was received. Included is a copy of the Mission Society 2010 budget which includes 2008 and 2009 budgets for reference.

As you can see, the Mission Society is not out of the woods yet. The need to address the Society's budget continues. For this we continue to ask for your prayerful consideration for contributions. We also ask that you

consider including the Society's need in your "wills."

Our economic status does not exempt us from being a blessing to others less fortunate. As you all know, on January 12, 2010 a 7.0 magnitude earthquake struck Haiti. Haiti being the poorest country in the western hemisphere is in need of our help. As help pours in from all over the world, let's keep the Haitian people in our thoughts and prayers. We are all eager to help, but let's allow the professionals time to establish security and the infrastructure that is necessary before mission teams can start rebuilding and ministering.

As in Psalm 91:12, "I will say of the Lord, He is my refuge and my fortress: my God; in him will I trust."

Available funds for Young Partners in Mission 2009 (YPIM) were \$12,100. \$9,190 was allocated in 112 grants to youth from 13 Moravian congregations and/or BWM. Available funds for Short Term (ST) crews was \$9,600. \$6,260 was allocated in 44 grants to adults from 15 Moravian congregations and BWM.

Most of the grants were in the amounts of \$40 (Laurel Ridge Mission camps), or \$60 (Mississippi), or \$300 (missions in other countries). Grants of \$50 each helped 10 youth attend Convo 2009, which included a local mission experience.

The number of grants requested for youth increased slightly, and the short-term grants remained about the same as 2008 and 2007. This report does not include the numbers of youth and adults who have gone on mission trips without requesting funds from the Mission Society. Some congregations were so inspired to send their members on mission trips and that they were blessed

to be able to fully fund what was needed for those willing to give their time and talents to the Lord.

Where did they go? God sent them to Costa Rica, Nicaragua, Kenya, Mississippi, Labrador, Africa, Tanzania, Honduras, Canada, and Laurel Ridge mission camps.

Many prayers have gone before, during, and after mission endeavors. Preparation for a young partner in mission or an adult short-term trip begins with spiritual and cultural training. Mark Ebert is the lead trainer.

Evaluation is an important component of each mission. Individuals and groups using YPIM or ST funds have the opportunity to share God's work and inspiration by reporting at the Mission Ambassadors Dinner, the bimonthly meeting of Mission Society Board of Directors, or to the Mission Possible prayer gatherings.

Many thanks to Shelia Beaman, Mark McSwain, and all who provided pictures for the

Mission CD which was made available to all the congregations to learn more about mission work supported by the Mission Society and Board of World Mission.

Mission Possible will have a birthday on the First Friday in February! The monthly meeting for praise, mission news, and prayer will be on February 5 at Christ Moravian Church Fellowship Building, 7:00 P.M. We are so happy to have Michael, Ceci, and Blessing Tesh here to give a personal report from the Ray of Hope Orphanage in Kenya.

Please come - hear what God is doing; pray - join the intercessory prayer for hearts in Kenya; pray - thank God for all His blessings; and listen - what is God calling you and I to do, where is God calling you and I to go?

La Moskitia - A Note From Gerard & Norvelle Rudy

Dear Friends:

Praise God! Nicole Creutz will be joining the ministry in Ahuas in February. She recently graduated from Concordia University Ann Arbor with a degree in Elementary Education and minors in Spanish and Math. Nicole has a passion for educating children and a strong desire to serve in missions. She is very excited for the opportunity to come and teach in Ahuas! Pray for her, as she gets ready to travel.

2009 was a busy year. We saw about 6000 outpatients and attended more than 200 women in labor and delivery. We did little things, like provide people with reading glasses. We did bigger things, like take care of a little boy who accidentally jabbed a stick in the back of his throat while leaping from one place to another while his mother was working. An infection in that space, behind the back of the throat, is potentially fatal. Thank God

his was not!

At home, we give thanks for another year with Abuelita. At times, we thought that God would call Norvelle's mother home. Not yet. Peter and his cousin Hazel continue to grow and prosper our household. It is a wonderful thing that they have been able to adapt to home school under my guidance. Pray that we may continue to make progress, as we have.

We are aware that the economy in the States has not yet recovered. We are grateful for jobs and for progress in school for family members up there. We give thanks that Mom and Dad are involved in their community in various ways, for their health, and for their support for our family.

Thanks to all of you for your continued prayers and support. May it praise God,

Gerard, for the Go ffs and Rudys in Honduras

YOU Can Ensure That Moravians Keep Sending

In its February newsletter, the Moravian Ministries Foundation offered some pertinent advice to those giving thought to planning their estates in 2010. Because of the economic challenges of recent years, it is expected that fewer people will create gift annuities, charitable trusts, and the like. The Foundation is encouraging people to consider setting aside, at least, 10% of their estate for Moravian cause(s) that are closest to their hearts. This would be a wonderful opportunity to designate funds from your estate to the Moravian Mission Society, South, Inc. This will allow the Mission Society to continue sponsoring programs and sending missionaries to share the Good News of Christ's salvation around the world.

It is a simple strategy to execute. It allows the donor to hold on to his/her assets and to use them as s/he sees fit during his/her lifetime. If a need like an illness or a grandchild's college

education arises, the donor simply acts in his/her best interests. Usually, unless something unforeseen occurs, once someone makes a commitment through their will, it is honored. Sometimes the final value of the 10% is different than they might have planned or expected; however, our view is regardless of the amount, that 10% will support more ministry, than not having it.

Paul McLaughlin of the Foundation often shares, "If everyone attending the session left ten percent of their estates to their church or favorite ministry, just think about the good work that could be done!" He also points out, "the remaining 90% is still available for family members and others you wish to remember. It's truly a win-win approach.

Example of bequest language. Please feel free to change the numbers or percentages as you desire.

1. Bequest of cash

"I bequeath the sum of \$10,000 to the Mission Society, South, Inc. of Winston-Salem, NC."

2. Bequest of a percent of the estate

"I devise and bequeath 20% of the remainder and residue of property owned at my death, whether real or personal, and wherever located to Mission Society South, Inc. of Winston-Salem, NC."

3. Contingent Bequest

"If my brother John Doe survives me, I devise and bequeath 20% of the remainder and residue of property owned at my death, whether real or personal, and wherever located to John Doe. If John Doe does not survive me, then I devise and bequeath 20% of my residuary estate, whether real or personal property and wherever located to Mission Society, South, Inc. of Winston-Salem, NC."

Ray of Hope - Looking At New Cow Ministry

Michael, Ceci, and Blessing Tesh attended the January Mission Society meeting.

Ceci thanked us for supporting Ray of Hope. "We have a new building already roofed. We have 55 children when last year this time we had 65. We hope the number will increase in 2010. We have one more staff member to stay with the boys. We have another new child with us. We are going to send her to high school this year.

We hope to have more chickens this month. This helps with nutrition and we can sell eggs and buy more chickens.

We are still waiting for the cow ministry to come together. We want a cow that is already expecting a calf, so we can get milk. The goal is for Ray of Hope to support itself.

We have \$5,000 to put up two buildings with solar systems. We want to have a solar unit in each

house."

Michael shares "A beloved young student, Bi Bi has passed away from malaria. It was a terrible shock. John and Habona were there with her. Bi Bi had been back at school from the holidays for two weeks when this happened. Bi Bi had been an encourager to the other children. They looked up to her."

Our daughter, Blessing, is one year and one month old.

Ray of Hope, Kenya has a new Facebook page. <http://www.kenyarayofhope.com/about.html>

Michael and Ceci Tesh will be speaking at First Friday on February 5 at Christ Moravian Church. Ted Kimball will be doing the music including African music.

On Sunday - Feb. 7, 2010 - There is a 3:30pm - a meeting for anyone interested in coming to Kenya

the summer of 2010. The meeting will take place at Christ Moravian Church Fellowship Hall. One team will be formed for ministry and one team will come for Solar installation. Contact Michael Tesh for more information. teshd@bellsouth.net.

1. I will exalt you O Lord, for you have lifted me out of the depths. SOAR International is based in Kenai, Alaska and ministers to the area of the Russian Far East. Pray for their pilots.
2. Pray for the people of Haiti in their immense suffering. Arm all aid to the Haitians with the message of Jesus Christ.
3. Know that the Son of God has come and given us understanding so that we may know Him who is true. Pray for His will to be done in your life and the life of your church congregation.
4. Let us not become weary of doing good, for at the proper time, we will reap a harvest if we do not give up. Share your faith story with the children and young people in your life.
5. In Christ Jesus, you are all children of God, through faith. Pray for strength and wisdom to not let the things of the world around you take your focus from Him.
6. Glenna and George Tasedan depart for Labrador today. Pray for safe journey and that their ministry in Happy Valley be consumed with the Word of God and the Holy Spirit for years to come.
7. **Sunday**- You have shaken the land and torn it open; mend its fractures, for it is quaking. Pray that Christians around the world will not remain silent as our faith is subverted. Do not be ashamed of the gospel.
8. From ancient days, I am He. No one can deliver out of my hand. Pray for teachers and leaders both secular and spiritual. Pray for Helen Gullidge and the staff and students of Alaska Christian College. Pray for the young people of Alaska so many of whom cannot fathom the truth of God's love because they have never experienced love and self-worth.
9. The Lord says "I do forgive, just as you ask". Pray for those who are making plans to be part of a mission team this summer. Pray that there will be many young people who learn the true mission of sharing the love of Christ outside their comfort zone.
10. Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God. Pray for Safie and Mohamed Braima, for the work in Sierra Leone and for health and strength for them.
11. The Lord will guide you continually. And satisfy your needs in parched places. Pray for pastors, evangelists, missionaries and translators of the scriptures. Name them and pray for their health and comfort. Pray for financial support and workers from the vineyard to assist them. Pray for Charlie and Vickie Brent with Campus Crusade.
12. Our God is a God of salvation, and to God the Lord, belongs escape from death. Jesus will return for His church. Nothing this world has can take you from His love and His promise to be with you always. Seek Him, turn to Him, call out to Him, and praise Him.
13. Do not be foolish, but understand what the will of God is. Pray for evangelistic ministries at work in the world and making a difference in the name of Jesus. Rise of new leaders of mission.
14. **Sunday** - And when they looked up, they saw no one but Jesus alone. Praise Him in worship. Praise Him for His grace and mercy. Thank Him for those faithful souls who have studied and prepared lessons from His word and taught week after week in obedience to His call.
15. God is light and in Him there is no darkness at all. Pray for the Woos witnessing to those around them in Asia and all others serving our Savior around the world.
16. God spoke through men and women. His word is still vital and pertinent. His message is the same today as it has always been. Our responsibility is the same as was those before us. We must be about our Father's business. Pray for the PECs, the bishops, pastors, mission societies and churches and fellowships in the Moravian Church.
17. Ash Wednesday- Are we seeking to follow Him in our home, in our work place, in our church? Can we try to give up a little more of me for a little more of Him? Pray Michael and Cecelia Tesh and Ray of Hope Orphanage in Kenya.
18. Jesus died for our transgressions and was raised for our justification. Pray for Steve and Anne Marx and Heather and Brian Marx, with Mission Aviation Fellowship.
19. There are so many people in homes and institutions who have no contact with God's family. Send a card or call someone you have been thinking of but have ignored the prompting to contact them.
20. Christ himself said "No one comes to the Father, except by me." Pray for those who have lost so much of their worldly possessions in Haiti. Pray for those in charge of disaster relief ministries. Pray for volunteers to do the work and for financial support.
21. **1st Sunday in Lent** - No one who believes in Christ will be put to shame. Go tell it on the mountain and everywhere. If you are not called to go then send someone. Give from your abundance to those in need. Share God's blessing in order that you might receive a blessing. Pray for the Morees and others who work tirelessly to translate God's word.
22. It is well for the heart to be strengthened by grace. It is only through a relationship with Him that we receive joy and purpose in life. He created you in order that you might choose to love him and in so doing that you would serve him by serving others made in His image.
23. Do no harm against your neighbor who lives trustingly beside you. Pray for the elderly, those who are no longer able to go to worship as they have for years. Encourage someone who is lonely or alone.
24. Remember the Lord in a distant land, and let Jerusalem come into your mind. Pray daily for strength and wisdom to recognize the right path and to walk in it.
25. The Lord will send His angel with you and make your way successful. Pray for the Board of World Mission staff and directors.
26. "Break up your fallow ground and do not sow among thorns." Pray for the church and the people of Labrador and for Glenna and George Tasedan who are serving there.
27. He has helped His servant Israel in remembrance of His mercy.
28. **2nd Sunday in Lent** - God blessed the seventh day and hallowed it. One day in the courts of our God is better than a thousand elsewhere. Come into His gates with thanksgiving and into His courts with praise. Sing of His glory. Tell of His mercy.

Attitude – Pray that they will sacrificially serve others with the servant-attitude of Jesus by showing humility, compassion, and love.

Effectiveness – Pray that their efforts will encourage others to explore their own spiritual gifts, according to God’s specific desires for each individual.

Protection – Pray for safe travel and good health.

Practical Needs – Pray that they will get sufficient rest and adapt to unfamiliar food, living conditions, cultural differences, language barriers, and unexpected challenges.

Spouses - Pray for the spouses of the team as they pastor their congregations and care for all the needs of their families.

Unity and Love – Pray that God would provide a spirit of mutual love and Christian unity between Cynthia and Lilyann. Pray that differences in Christian experience, culture, and Biblical understanding would be a source of growth rather than division.

Prayers for the Children of Haiti

Let us continue to hold in prayer those children in Haiti already orphaned by HIV/AIDS and the many who are newly orphaned, many injured, hungry, and traumatized due to January’s devastating earthquake.

You must love the Lord your God with all your heart, all your soul, and all your mind. This is the first and greatest commandment. A second is equally important; love your neighbor as yourself.

(Matthew 22: 37-38)

Luawa-Yiehun Moravian Church - Sierra Leone

(Continued from page 1)

2 other men from Little Church. At the hospital it quickly became evident that Safie needed all the medical care that the USA had to offer. She was given blood, pain medication, and a thorough examination. Blood tests, MRI, and consultations with specialist were all set in place. By the time I saw her on Thursday morning, she had improved drastically; she was smiling, eating, and grateful to God for His many blessing.

Safie has a long road ahead of her and will be probably be in the hospital for a good while. One of her doctors commented that if she had waited another 5 days before coming home the outcome would likely have been drastically different.

So, please join me in praising God for his provision of: (1) cell phones that allowed us to communicate immediately half-way

around the world (2) AirMed and their wonderful, caring, and efficient staff (3) doctors and nurses who were willing to talk to us on their day off, give us their cell phone numbers, and go out of their way to be helpful (4) God's people who prayed without ceasing (5) US Customs and officials of other governments who cooperated with the evacuation.

MISSION: Sierra Leone

Our God IS so good! He heals hearts, minds, and bodies, and we give Him praise and glory. A community gathers for worship on Sunday mornings at Luawa-Yiehun Moravian Church in Sierra Leone, West Africa. "Kane N'gorma!" (Praise God!) is heard with every greeting. The Gospel message is read, first in English, then in Mende, the language of the people. You can hear joy in

the voices of people singing. Over 100 children crowd into one small room to hear and learn about Jesus and the love he has for them.

Sunday mornings in Luawa-Yiehun looked very different a year ago. There was no church, no Gospel message, and no community. In less than one year, Mohamed and Safiatu Braima, missionaries from Little Church on the Lane in Charlotte, NC, have planted a thriving, Christ-centered church in the village of Luawa-Yiehun. Through the power of the Holy Spirit and the support of the Moravian church, the Braimas are bringing the message of Jesus Christ and God's saving grace to the people of Sierra Leone. Please visit Little Church on the Lane / Ministries / International for complete ministry information on the Braimas.

Safie and Mohammed are especially grateful for all of the cards and prayers that have been sent during this time. One can see by Safie's smile that her spirit is soaring with the grace and peace of God. You can send Safie get well wishes online to: hainesst@hainesamaxwellcompany.com
