Dear Brothers and Sisters,

With vaccination rates continuing to rise across the population, the guidance for indoor gatherings of large groups from local Public Health officials and from our denomination suggests that we are able to begin making a return to worship in our larger sanctuary space as we head into May. The Joint Board met this past Sunday to follow up on where we stood in our plans through May 2 and to chart a course into the rest of May and the Summer to come.

We will resume weekly in-person worship in the Sanctuary on Sunday, May 9th. As we have begun to more fully gather over the last month and restrictions have continued to relax more, we can also finally get back on track with the tasks needing to be addressed during our time of transition together. While we have been able to begin work on some of the important nuts and bolts tasks during Covid, some of the most important things that we need to accomplish are things that we need to be together in small group and large group opportunities to work on. Much of the work that I outline below is what we would have begun to work on last May, but have not been able to be together in inclusive and appropriate ways to engage until now.

Here’s a roadmap for where we are heading as we emerge from the pandemic and work to hold the key conversations we need to have as a congregation.

**Upcoming Church Council Meetings:**
- May 2 at 12 noon following the 11:15am Outdoor Worship
- May 23 at 11:15am following 10am Worship in the Sanctuary

Both meetings of Church Council will be held on the church lawn, however, if you are concerned that your mobility prevents you from gathering on the lawn, you are invited to gather under the picnic shelter. If driving onto the lawn is a more practical option for you due to mobility challenges, please call the church office by April 30 to let us know and we will make arrangements for you to do so.

**Then What?**

On May 2nd, the Council meeting will include the sharing of a brief version of the financial and congregational reports typically shared at the February Council, a presentation about the proposed changes to the Rules and Regulations of the congregation, and a time of discussion and questions from the floor of the council meeting.

Following this opportunity for discussion, suggestion of amendments to the proposed structure, and questions, the May 23rd Council meeting will allow us the opportunity to enact the proposed or amended changes.

In June, the Joint Board will finally be able to hold an extended retreat session to structure plans for a series of small group meetings the entire congregation will be invited to take part in. By July, we will be building a team of small group facilitators and training them to lead these groups that will hopefully have opportunities to come together a few times during the Fall. During the Summer, likely over a couple of Joint Board meetings, we will take a look at the membership roster of the congregation with the rich information our Membership Committee has been gathering through their phone conversations with everyone on the roll.

...continued on next page
By August and September, we hope to be inviting every member who has expressed a desire to be actively engaged in the life of KMC to participate in one of these small groups. These groups will be offered at different times, in different locations (including using the Zoom platform or outdoor spaces) so that we can include the widest possible array of our members in these conversations. Through these groups, likely over 2-3 gatherings throughout the fall, we will all look at and discuss who KMC has been in the past, what opportunities, skills, assets, gifts and talents we currently possess, and consider where God is leading KMC to serve given those unique skills, assets, gifts, talents and opportunities. Short Bible studies will accompany this shared group time.

During the winter months of January and February, the Joint Board will be reviewing and discussing the ideas and information that was shared during these Fall group gatherings. They will be looking for patterns and ideas that seem to be important for everyone in the congregation. And then they will be bringing this information back to the congregation at a Reporting Council during February of 2022, where we can discuss this together and identify the most important characteristics and opportunities for the future.

Our goal is that by the next Easter season, as we journey through the 7 Sundays of Easter, we will have agreed upon and refocused the congregation around a clear sense of mission, vision, and purpose. With that renewed sense of focus, we would be fully entering into a call process that will help us to identify the right pastoral leader to join us in the next chapter of this congregation’s life.

During much of the past year, we haven’t been able to forecast far enough into the future to fully engage this process. We finally can move into the phase of a transition period that is meant for sowing the seeds of a great partnership between the members and lay leaders of this church and the pastor that God is equally preparing to come to all of you at the end of this process. Let’s get to know each other as a community again as we emerge from the pandemic...

In the unsettling peace and abiding love of Christ,
Pastor Christy and Pastor Victoria

**Worship Plans and Other Opportunities - Covid-19 Update**

*Worship Resumes in the Sanctuary at 10am on May 9*

The Joint Board approved plans for resuming a worship gathering indoors with a 10am in-person worship service held in our Sanctuary.

**Why wait til then?**

Due to the plans already in place for:
- Holding a drive-through fundraiser lunch for our Preschool on Sunday, April 25th
- Convening Church Council outdoors on Sunday, May 2nd following an outdoor worship service intentionally to encourage the largest possible group to be able to gather and discuss proposed changes to our Rules and Regulations

the Joint Board decided not to disrupt these already announced and planned events in the life of the congregation. It is always challenging to communicate one set of plans and then be forced to revise them quickly, often leaving many people out as those plans change. We have had enough of those disruptions that have-n’t been avoidable.

**What Can I Expect?**

- This 10am in-person worship service will also be the live-streamed broadcast, providing a worship opportunity for all who remain more comfortable limiting their exposure to larger groups indoors.
- We will provide Nursery care and Children’s Worship opportunities beginning at 9:30 until 11:30am on Sunday mornings through May. This will be held in the Nursery, adjoining Preschool Sunday School room, and Godly Play room—depending on the number and ages of our participants. If you have enjoyed our Zoom Family programming, we will have the space set up by 9:15 so that you and your child(ren) can join Pastor Christy (in-person) and the other leaders (via Zoom) as a part of this learning time together.
- Sunday School groups can choose to meet at either 9am or 11am based on the desire of their group and the availability of adequate space for social distancing indoors. Right now, Sunday School classes can choose among the 2 rooms of the Activity Building, the Fellowship Hall, or the Picnic Shelter depending upon their size.
- We do continue to ask that all groups (including committees) let the Church Office know of your planned meeting time and the space you’d like to use to gather or if you are gathering via Zoom. If there are questions about the possibility of meeting in some other spaces, please bring those requests to Pastor Christy, Criss Hiatt, or Eddie Boyce and we will happily consult on the feasibility of your request based on the space use recommendations that we are following and the square footage of our rooms.
Worship Plans and Other Opportunities - Covid-19 Update cont’d…

• We will also be working on some outdoor offerings for worship and fellowship during the warm weather months in addition to the worship services in the Sanctuary, so that those who prefer to stick with outdoor gatherings can still have opportunities. More information on this programming will be coming soon.

Important Details as We Move Indoors:

* Mask use is required throughout your time in the Church Building, including for the duration of the worship service. This enables Pastor Christy and Pastor Victoria to remove their masks for leading worship at the pulpit and is the best way to reduce their exposure as they also interact with those who are not yet ready to attend an in-person gathering.

* Pews draped with the burgundy ropes, typically used during communion, should remain unoccupied.

* All available seating positions are marked with a blue dot, 1 person per dot marker. Various groupings of dots are indicated:
  1 dot = intended for a single person,
  2 dots = a couple or 2 individuals who have ridden to church together,
  3 dots = a household group of 3 or more persons

* Please enter for worship ONLY through the Fellowship Hall entryway facing Main Street.

  If you attend and have mobility challenges, please park in the handicapped spaces along Main Street. If these spaces fill and you need to park in the Cherry Street lot, elevator use from that rear entry for those needing it is available.

* Observe 6 ft of distancing and enter the Narthex from the Fellowship Hall, one household at a time, as the greeter stationed in the Narthex invites you to enter. This only takes a moment or two and flows fairly quickly.

  The greeter will sign you in as you enter, will have communion kits on Sundays when we commune, and will have the gold box for dropping off tithes and offerings.

* We will allow singing, but all participants must remain masked.

* At the conclusion of worship, please wait until your pew is invited to depart by either the pastor or a greeter as you would at a wedding or a funeral service.

Highlights of the April Joint Board Meeting

* After lengthy discussion, the Board felt the best option to gradually move toward an indoor service would be to have a 10:00 livestream/indoor service. This will allow Sunday School classes to be held before or after the service. The Board approved to start the indoor service on May 9, 2021 at 10am.

* The Board also discussed the May 2nd Church Council which will be held outdoors following the outdoor worship. This council will provide information to congregation about the proposed Rules and Regulations changes and presentation of slate of officers candidates for the Board. The May 23rd Council will be a voting Council which will also be held outdoors.

* Rev. Clore, Rev. Lasley, Johnathan Williams and Music and Worship will explore the option of holding an outdoor program once per month to allow those not comfortable with in-person indoor service to continue to participate. They will report back to the Board.

* Committee reports were provided to the Board prior to the meeting. Don Clifton reported that the two vacancies on the Music and Worship Committee had been filled. Rev. Clore announced that Crisis Control has offered to provide products for the Blessing Box. Community Outreach will be responsible for the Blessing Box as it reopens.

* Rev. Clore advised approximately ten applications have been received and reviewed for the Administrative Assistant position. Of those, the committee will interview 1-3 of these applicants. Our office angels have been a blessing during this transitional period.

* Christian Education will be seeking to hire a temporary nursery attendant, since Kendra is not able to return at present, but intends to return in future. Personnel has reviewed the job description and sees no need for significant changes. They have delegated the interviewing of potential caregivers to the CE committee, as they are best suited to review candidates for this position.

* The need to schedule a Joint Board Retreat was discussed and scheduled for Saturday, June 12th.
Church Council: Proposed Changes to the Rules and Regulations

Remember that In 2019 KMC did not have a full slate of candidates to fill all of the vacating terms on the Board of Trustees. Church Council agreed to accept this situation and only fill 6 of 9 positions on the Trustees. There was discussion and agreement on the floor of that Council that we should consider a realignment of the Boards given the current reality of our membership prior to the next general election in the Fall of 2020. In July, 2020 an executive committee consisting of the Chair and Vice-Chair of the Board of Trustees along with the Vice Chair of the Board of Elders began meeting and drafted changes to KMC’s Rules and Regulations. After an initial draft was developed, Pastor Christy along with two additional members—large from the congregation, Russ Tyson and Sandra Jennings; joined them to flesh out the full proposal. Through this process, a fairly thorough revision to our church constitution, “Rules and Regulations of Kernersville Moravian Church”, has been developed. A summary of these proposed changes along with the reasoning behind them are listed below.

Key changes proposed

- A single consolidated Board consisting of nine members as opposed to the current dual board structure (nine Trustees and nine Elders).
- This Consolidated Board meets as a group and is responsible for oversight of all KMC concerns – both financial and spiritual needs. No distinction for Trustee or Elder roles.
- Duties for the Board of Elders and Board of Trustees are combined into a single list for the consolidated Board.
- Pastor chairs the consolidated Board. A vice-chair is elected from the nine active members along with a secretary each year at beginning of year.
- Board members can serve two consecutive three year terms and then must be off for a period of two or more years before being eligible to serve again. This is a change from the current requirement to be off the board for two years after a single three year term.
- At least one board member will participate in key committees and groups (noted below). This would include attending committee meetings and providing updates to Consolidated Board members.

Key committees are

- Personnel
- Preschool
- Music and Worship
- Communications
- Stewardship/Finance (new committee)

- Non-key committees – oversight only, attend as needed. For these groups, the committee chair should provide regular reports to the joint board. A Board member may attend meetings for special requests and if deemed necessary because the group has issues or concerns.

Why we are making these changes

- Decline in Active Membership
  It should come as no surprise to anyone that our membership has declined and was declining prior to the Covid-19 pandemic. We simply don’t have enough active members who are willing and able to serve on the Boards as currently defined in our rules and regulations. We believe that a single consolidated Board of nine members makes sense for our current membership.

- Improve Communications and Streamline Decision Making
  With two boards that meet at different times and with different objectives, we lose sight of the big picture. For the last year (since the start of the pandemic) we’ve met almost exclusively as a single Board. This has made our decision making process infinitely easier than if we had continued to meet as two distinct groups. The proposed smaller number of Board members would allow us to be much more effective with our meetings and the effort to make decisions.

- Continuity for Key Functions
  Each year we replace one third of our Board members. In many cases this means that we lose valuable knowledge and skills needed to support key functions. This includes things like the maintenance of our facility and financial oversight. The changes we propose include new committees for Maintenance and Stewardship/Finance. Members on these committees would be selected based on their skills and aptitude. These changes would ensure that there is continuity for the administration of these key functions. Note that the Board members still retain oversight and approval for these functions.

- Committees Become Intentional Collaborators
  The committees of the congregation in this proposed structure become collaborators with the board for accomplishing their tasks together. The intent of all these changes is to create better communication and collaboration throughout the congregation as we follow Christ’s call to create disciples.

Even as this proposal is brought forward to Church Council after a thoughtful process, this is not an either/or process. If you have concerns or objections, consideration for amendments or modifications to any proposal should always be a part of this process. We need to seek a path of collaboration, where differing views can find middle ground.
**FINAL DRAFT**  
**ARTICLE IV: CONSOLIDATED BOARD**  
**FINAL DRAFT**

A. Composition and Terms: For the management of the affairs of the congregation there shall be a consolidated board consisting of nine members. The members of this board will be responsible for oversight of all temporal and spiritual concerns of the congregation. Members of the Consolidated Board are elected by Church Council unless a midterm vacancy should occur (See ARTICLE III.E.4). Members shall serve for three years and shall be so elected that as nearly as possible one-third of them shall retire each year. It is possible for a board member to stand for re-election at church council for a consecutive 3 year term. A board member can serve no more than two consecutive terms of three years (six years total) after which an interval of two years must elapse before said member becomes eligible to serve on the board again. Any member who has completed an un-expired term of 18 months or longer will be considered to have served one of two consecutive terms. A member who has completed an un-expired term of less than 18 months can still stand for election to two consecutive terms. Furthermore, only a communicant member in good standing above the age of twenty-one and who has been a member of the congregation for at least one year shall be eligible to serve on the Consolidated Board. In addition, a special youth position is created on the Consolidated Board with voting privileges and is elected by the Church Council, for a term of 1 year. This youth shall be a communicant member under the age of 21. (See ARTICLE III.E.4)

B. Officers: The Senior Pastor shall serve ex officio as chair. At the first meeting after January 1 of each year, the Board shall elect from its lay members a vice-chair and a secretary.    c. To follow through with the proper exercise of church discipline (II.C).
8. To support and encourage the work of the Christian Education committee in their development of a program of Christian formation in the life of the congregation, including Sunday School, and to support the educational programs with attendance as possible.

   a. Operational Committees: These committees are each charged with aspects of internal church operations and report directly to the Consolidated Board through an appointed liaison of that Board and recorded minutes of their meetings. Registration for camp is open!

Parents and campers can go to our webpage, www.laurelridge.org to register for either in-person or virtual camp. We will offer both options this summer including 6 weeks of Mission Camp. In order to meet the recommendations from the health department, insurance and the ACA (American Camp Association) we currently plan to offer multiple dates for each camp age group. Camps will need to be smaller in 2021 to help minimize the spread of Covid-19.

**Happy Spring!**

The scouts are enjoying the nicer and warmer weather. Here is our update for April:

- Towards the end of March, the scouts spread pine needles around the church campus.
- There is a change in plans for the summer Northern Tier scout trip. Due to Covid, the Canadian border is still closed for out-of-country visitors. Therefore, scouts who will be thirteen or older by August are planning to go to the Summit Bechtel Reserve in West Virginia instead.
- Camp Raven Knob is on the schedule with Covid restrictions in place June 27-July 3.
- We would like to welcome some new rising sixth graders to our scout troop! Three have already chartered with us, and there are more who are interested and we hope will join!

Livestream Troubleshooting
We’ve heard from some of you about problems accessing the livestream broadcast, keep reading for some tips that may address problems you are experiencing.

1) I've clicked the livestream link on the church website or a Friday email update and I see the KMC Channel on YouTube, but it looks like a black square with no picture or sound.

The current link should work if you are on a desktop or laptop computer. If you are viewing on a phone or tablet device (iPad, Amazon Fire), you will need to install the YouTube app for your device in order to watch a livestream broadcast. This app is freely available in the app store for your device. Once you have the YouTube app installed, simply search for the Kernersville Moravian Church YouTube Channel and you should begin to access content and the livestream "square" should no longer be a black screen.

2) I'm able to watch the livestream broadcast, but the sound is barely audible.

Many older phones and tablet devices are designed to produce sound for viewing video best through headphones and may not offer adequate volume through their external speakers. While our older recordings may produce adequate sound through your devices, these videos were produced differently than our current recordings and this shift may be a source of the problem. If possible, you may want to try using headphones to see if this improves the quality of the sound.

If you have a question or are having technical difficulties accessing our online worship offerings, please reach out with your questions. We want to help!

You can call or email the church office or reach out directly to Eddie Boyce.
